Terms and Conditions:

The above prices include the design, hosting and distribution of your e-invite. Distribution is limited to 3 separate mailings i.e. initial sending of your invitation and 2 additional mailings in case some addresses were wrong or you decide to invite more guests. Clients will also receive a performance report after each sending of the e-invite. Performance reports provide the ability to track if your guests opened your e-invite and if they clicked on any of the links.

Any change to converted invitation such RSVP date change etc. will be charged at R125. Please note changes to the design and main layout of the invitation is not possible once the invitation has been converted.

WhatsApp invitations cannot be send by a third party therefore clients will be responsible to distribute the WhatsApp version supplied by us.

Important – Guests using Gmail email accounts will receive the invitation in their Promotions Inbox. Recent changes to Gmail included the automatic creation of 2 additional inboxes Social (for Facebook and other social media type emails) and Promotions (for Newsletters and emails containing graphics and links).
