Pricing Structure

Thank you for your interest in our wedding designs! This guide will assist you in budgeting for your wedding invitations.

DESIGN OPTIONS

1

CUSTOM Design "a little bit extra"

This package includes
any design that form part of our portfolio
with customisation of your choice.

You can choose the design you like from our catalogue, and we will gladly modify this design to suit your requirements. You will receive 3 design options and 2 revisions are allowed.

2

BESPOKE Design "entirely unique"

This package includes
a unique design made especially for you.

If you would like a unique design made according to your ideas and requirements and our catalogue does not have what you are looking for. We will then create something distinctive and exclusive, something never seen before!

Please note: Pricing can be affected by the following:
* Invitation layout / size * Design / studio time * Quantity
* Paper choice * Print process (digital, foiled, embossed)
* Finishing (ribbon, diamante's or decorative accessories)

Design Fees

Please note that all invitations and stationery items are custom designed to suit the clients needs and requirements. We spend a lot of time and effort creating items to perfectly match these requirements and therefore **charge a standard design fee for all items, over and above the print and production unit cost.**

The Process

1 LET'S MEET

Book a **consultation** (free) at one of our studios. It is an opportunity to share ideas and thoughts - you will also be able to view our entire collection. We will gladly consult with you via email or telephone as well.

We will be able to provide you with an accurate quotation once we understand your specific needs & requirements. It is therefore recommended that you come in for a consultation.

2 QUOTATION & DEPOSIT

You will receive a detailed **quotation** via email as soon as possible. If you accept, a 50% non-refundable **deposit** becomes payable. After receiving your payment we will send you an **information pack**, explaining the way forward.

3 DESIGN & PRODUCTION

First **design options** will be emailed to you. Changes and adjustments will be made according to your feedback and input. After signing off on your digital proof, you will receive a final printed proof to sign-off. **Production** will now commence.

4 DELIVERY

You will be notified of the projected date of delivery once production commenced. All outstanding balances must be settled before collecting.

Lily Young Designs offer a variety of distinct choices of design, typefaces, colour, and themes, making each product that leaves our studio unique. Limited designs can be viewed on our website. For the complete catalogue please make an appointment to visit one of our studios.
